

Lecture timetable Master of Science in Chemistry advanced-modules (A) and experimental-modules (E) Summer semestre 2018

Date of issue: January 31, 2018 (changes are possible)

Time	Monday	Tuesday	Wednesday	Thursday	Friday
08.00-09.00	A-BC lecture 8.00 - 9.00 a.m. BC- Institut, Zülpicher Str.	A-BC lecture 8.00 - 9.00 a.m. BC- Institut, Zülpicher Str.	A-BC lecture 8.00 - 9.00 a.m. BC- Institut, Zülpicher Str.	A-BC lecture 8.00 - 9.00 a.m. BC- Institut, Zülpicher Str.	A-BC lecture 8.00 - 9.00 a.m. BC- Institut, Zülpicher Str.
09.00-10.00	E-BC daily all-day	A-AC Seminar	E-BC daily all-day	E-BC daily all-day	E-BC daily all-day
10.00-11.00		R 414 9 a.m. - 10.30 a.m. Preliminary Discussion April 16, 9 p.m.		A-TC Seminar 9 a.m. -11 a.m. Exp. SR 2	A-PC lecture 9 a.m. - 10 a.m. , R. PC 147
11.00-12.00			A-PC lecture	A-TC lecture	A-PC Seminar 10 a.m. -11 a.m. R. PC 147
12.00-13.00			11 a.m. - 1 p.m. R. 147 PC	A-AC lecture	
13.00-14.00			11 a.m. to 1 p.m. HS III	11 a.m. to 1 p.m. Exp SR 2	A-AC lecture 12 p.m. to 1 p.m. Exp SR 2
14.00-15.00					E-PC Monday, Tuesday, Friday 1 p.m. to 6 p.m. o'clock 6 weeks
15.00-16.00					
16.00-17.00					
17.00-18.00			A-OC Seminar		
			4 p.m. - 6 p.m. Exp SR 1 Preliminary Discussion April 17, 9 a.m. SR B		

E-Module

E-Modul AC	starts August 13, 2018 Preliminary discussions: August 13, 2018, 9 o'clock a.m. in R. 414 AC	E-Modul OC	by arrangement Preliminary Discussions: April 17, 9 a.m., SR B	E-Modul TC	by arrangement	E-Modul PC	E-PC Monday, Tuesday, Friday, 1 o'clock p.a. - 6 o'clock p.m. 6 Weeks Preliminary Discussion April 12, half past one p.m., Room Exp.SR 2	E-BC daily all-day 09.04.-18.05.2018 Structural Biology II Preliminary Discussions 05.04.2018, 9.15-10-45. BC 493	E-BC daily all-day 04.06.-20.07.18 Peptide Chemistry Preliminary Discussions 04.06.2018, 9-10.30, Sem. 1. OG, Inst. f. Genetik, Zülpicher Str. 47a,

TOPICAL(ACTUAL) INFORMATION: Event rooms, preliminary discussions, security instructions etc. see lecture list in Klips

<https://klips2.uni-koeln.de>

Registration period for modules/ all type of lessons:

A- und E-modules (AC,OC,PC,TC): module registration / allocation of courses online about Klips 2 during the first lecture week from April 9, 2018 to April 15, 2018

Note: To receive a place in the module, all module events must be booked. Module registrations from previous semestres without active participation become invalid.

Valid for students from a 2nd professional semestre

A-BC + E-BC

online by Klips 2 during first registration period of courses (January 31 to February 14) **plus e-mail to the examination office with description of your biochemistry knowledge** (see requirements for participation, module compendium)

P-Module

registration by email to the examination office without registration periods

necessarily registration information: student register number, name, institute, title of module, module coordinator, P1 oder P2 oder P3-RP

registration for exam by email to examination office with information: Date of the exam, examiner name, student registration number, note P1 or P2 or P3-RP

Project Modules Offer: see lecture list in Klips

You find the lecture offer of the P modules in Klips about the structural tree „Mat Nat faculty - Department chemistry“, lectures, Number circle Master of Science in Chemistry 14816.1000-1999.

P-Module with Research Proposal
